SPECIAL CONDITIONS

1. The facilities for service to a privately owned fire protection system will be installed by the Utility at the cost of the applicant. Such cost shall not be subject to refund.
2. If a distribution main of adequate size to serve a private fire protection system in addition to all other normal service does not exist in the street or alley adjacent to the premises to be served, then a service main from the nearest existing main of adequate capacity will be installed by the Utility at the cost of the applicant. Such cost shall not be subject to refund.
3. Service hereunder is for private fire protection systems to which no connections for other than fire protection purposes are allowed and which are regularly inspected by the underwriters having jurisdiction, are installed according to specifications of the utility, and are maintained to the satisfaction of the Utility. The Utility may require the installation of a detector check valve with meter for protection against theft, leakage, or waste of water.
4. For water delivered for other than service to privately owned fire protection systems, charges will be made therefor under Schedule No. EL-1, General Metered Service.
5. The Utility will supply only such water at such pressure as may be available from time to time as a result of normal operation of Utility's system.
6. All bills are subject to the reimbursement fees set forth on Schedule UF.
7. A one-time surcharge of \$0.3243 is to be added to each bill after May 28, 2009, the effective date of Advice Letter 1922 to recover the amount paid to the CPUC for the Division of Ratepayer Advocates' audit of Cal Water's General Office.
8. A surcredit of \$-0.3833 is to be added to each bill on or after June 1, 2009, the effective date of Advice Letter 1923-A to reflect the Cost of Capital authorized by the CPUC in Decision 09-05-019. (N)
