

2022 California Water Service Firefighter Grant Program by the Numbers

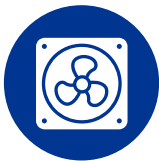

7 applicants were awarded grants of **\$16,000 to \$38,000** for a total of **\$185,800**

Since 2019, more than **\$668,000** in grants have been awarded to **local fire departments**

These grants were awarded to help firefighters purchase gear or life-saving equipment that would keep themselves and our communities safe during an emergency.

Bakersfield Fire Department
for ventilation fans used during structural firefighting operations

Marysville Fire Department
for five self-contained breathing apparatuses, which allow firefighters to breathe clean air while in dangerous environments

Ventura County Fire Protection District
for portable firefighting pumps

Salinas Fire Department
for an AI-driven autonomous flight engine

North County Fire Authority (Daly City)
for large-diameter fire hose

Sonoma County Fire District
for wildland firefighting equipment, including fire hose, wildland hose packs, web gear, fire shelters, hose appliances, and scene mop-up equipment

Redwood City Fire Department
for large-diameter and attack hoses

Recipients by District

Quality. Service. Value.®

Reliability Runs Deep
