## Advice Letter No. 2314

To The Public Utilities Commission of the State of California:

California Water Service Company (“Cal Water”) respectfully submits this Tier 1 advice letter and hereby transmits for filing the following changes in its tariff schedules applicable to all districts.

Rate Schedule	New/Revised CPUC Sheet No.		Title of Sheet	Cancelling CPUC Sheet No.	
	XXXXX	-W	Table of Contents (Page 1)	11718	-W
	XXXXX	-W	Table of Contents (Page 5)	11677	-W
AS	XXXXX	-W	Additional Surcharges/Surcredits (Page 3)	11664	-W

AS	Delete	-W	Additional Surcharges/Surcredits (Page 5)	11460	-W
AS	Delete	-W	Additional Surcharges/Surcredits (Page 6)	11394	-W

### Summary

This advice letter requests approval to delete, move and renumber special conditions within Cal Water’s “Schedule No. AS”.

### Background

Cal Water’s “Schedule No. AS” contains sur-credits and or surcharges related to company-wide memorandum and balancing accounts that are identified as “special conditions” on the schedule pages.

### Discussion

Schedule AS currently has six effective pages, three of those contain expired special conditions. This advice letter requests to delete, move and re-number special conditions within the Schedule No. AS.

- Current page 1 and 2 were filed and approved as part of Advice Letter 2303 and contain special condition charges that are still in effect. No changes are requested for these pages as part of this filing.
- Page 3 contained special conditions approved in Advice Letter 2226-A, which expired and were deleted as part of the approved Advice Letter 2299. The special condition charge approved with Advice Letter 2299 are no longer effective at the time of this filing.

- As part of this filing, special condition 5 (charges to customers) from page 6 of the AS will be relocated to page 3 and renumbered to special condition number 2.
  
- Pages 4-6 will be deleted as part of this filing

### **Requested Effective Date**

Cal Water requests that the proposed tariffs in this advice letter become effective September 25, 2018.

### **Notice**

*Customer Notice* – Individual customer notice of this advice letter is not required under General Order 96-B, Water Industry Rule 3.1, because this filing is not requesting a more restrictive term or condition or a rate charge increase.

*Service Lists* – In accordance with General Order 96-B, General Rule 4.3 and 7.2 and Water Industry Rule 4.1, a copy of this advice letter will be mailed or electronically transmitted on September 25, 2018 to competing and adjacent utilities and other utilities or interested parties having requested such notification.

### **Response or Protest**

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding; or
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission.)

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. A response or protest must be made in writing or by electronic mail and must be received

**5. CHARGES TO CUSTOMERS**

(L)

**(A) Health Care Program Surcharge:** The water rates in effect for 2014-2016 included funding for health care costs. A surcharge has been added for a portion of additional health care costs incurred during that period. The charges vary by district based on the number of local customers and employees.

**(B) Non-LIRA Customer Support:** This surcharge is for administrative costs associated with the Low-Income Ratepayer Assistance Program (LIRA). All customers not enrolled in LIRA receive the same per-unit charge for water consumed.

**(C) Capital Project Surcharge:** This charge is for capital improvements made that were not previously included in water rates, but instead authorized by the CPUC to be added to rates via an Advice Letter after they were completed. These system improvements include a well in the East Los Angeles District and energy efficiency projects in the Chico, Bakersfield, and Visalia Districts. Each project is only charged to customers in that respective district.

**(D) Interim Rates Surcharge:** In districts where insufficient funds were collected through interim water rates associated with a previous general rate case, this surcharge collects the remaining funds from customers.
